In accordance with your request, forwarded herewith is a rundown of the Soviet news coverage of President Johnson's State of the Union Message as it treated the subject of nuclear armaments. You will note that the quotation set forth in the third paragraph does not contain the final sentence of the quotation set forth in the first paragraph "In this spirit, we call upon our opponents to do the same".

Copies of pages BB 13 and BB 14 of the FBIS daily bulletin, which we discussed on Friday, are also enclosed.
